

## HHGS info-boards Rules of Conduct

### Our boards

All boards around the school that are painted blue belong to the student union. The Head of Business Relations takes care of all issues regarding posting on them together with the secretary.

### Boards for specific uses

- There is one board that is only allowed to be used by permission from the Head of Business Relations where it says "Näringslivsutskottet". These require a stamp from the Head of Business Relations.
- The board furthest to the right by "HandelsRätten" may only be used by students for posts about for example student housing. These do not require a stamp from the main office.

### Associations, projects and companies under the student union

All from this group may put up 4 posters free of charge with the following rules of conduct on HHGS' boards for a duration of 2 weeks.

- All posters must have the HHGS logo on them. If they are handed in without an HHGS logo they will not be put up.
- The posters must be of A3 standing format.
- The posters must be stamped with the HHGS stamp and the date until which they may stay up.
